BAB 1

Oracle APEX Online

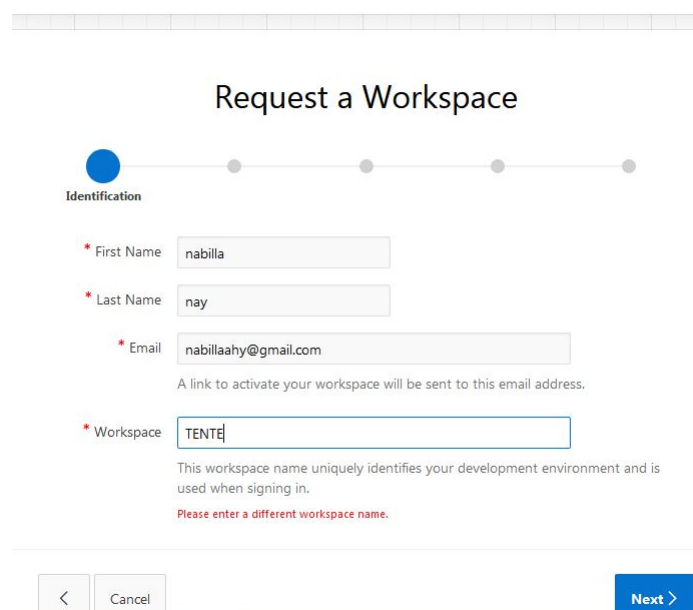

1.1 Langkah-langkah

1. Membuka aplikasi apex online, dan mengklik request a workspace

The image shows the Oracle Application Express login interface. At the top is the Oracle logo. Below it, the text "Oracle Application Express" is displayed. There are three input fields: a workspace name field containing "bima" with a green checkmark, a username field containing "NABILLAHY@GMAIL.COM" with a green checkmark, and a password field with masked characters and a green checkmark. Below these fields is a checkbox labeled "Remember workspace and username" which is checked. A blue "Sign In" button is positioned below the checkbox. Underneath the button are two links: "Reset Password" and "Request a Workspace". At the bottom, there is a row of language links: Deutsch, English, Español, Français, Italiano, Português (Brasil), 中文 (繁體), 中文 (简体), 日本語, and 한국어.

2. membuat request a workspace

The image shows the "Request a Workspace" form. At the top, the title "Request a Workspace" is centered. Below the title is a progress bar with five steps; the first step, "Identification", is highlighted with a blue circle. The form contains four required fields, each marked with a red asterisk: "First Name" with the value "nabilla", "Last Name" with the value "nay", "Email" with the value "nabillaahy@gmail.com", and "Workspace" with the value "TENTE". Below the email field, a message states: "A link to activate your workspace will be sent to this email address." Below the workspace field, a message states: "This workspace name uniquely identifies your development environment and is used when signing in." Below this message is a red error message: "Please enter a different workspace name." At the bottom of the form, there are three buttons: a back button with a left arrow, a "Cancel" button, and a "Next" button with a right arrow.

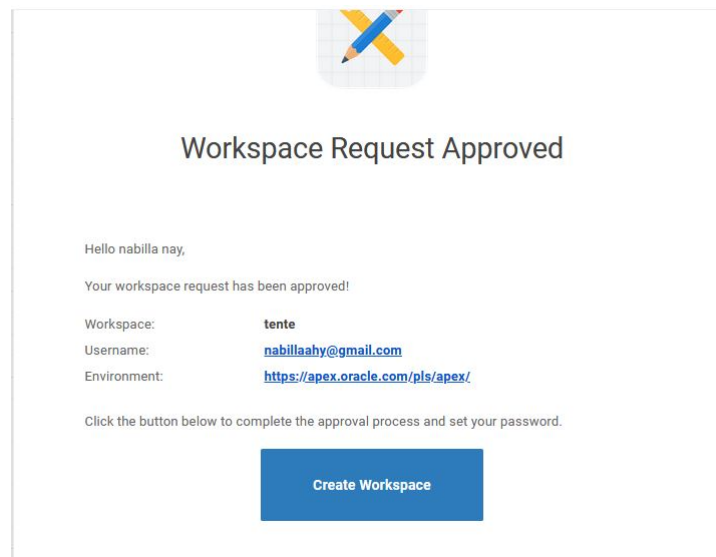

(a) Lalu klik next

The screenshot shows a web form titled "Request a Workspace". At the top, there is a progress bar with five steps. The first step is marked with a green checkmark, and the second step, labeled "Survey", is marked with a blue circle. Below the progress bar, a message reads: "Please help us by filling out this short survey prior to signing up for a workspace. The information provided by you will be collected and used pursuant to the [Oracle Privacy Policy](#)". There are two survey questions, both marked with a red asterisk. The first question is "Are you new to Oracle Application Express?" with radio button options for "Yes" (selected) and "No". The second question is "Do you plan to use this workspace for a university class or training?" with radio button options for "Yes" and "No" (selected). At the bottom of the form, there are three buttons: a back arrow, a "Cancel" button, and a blue "Next >" button.

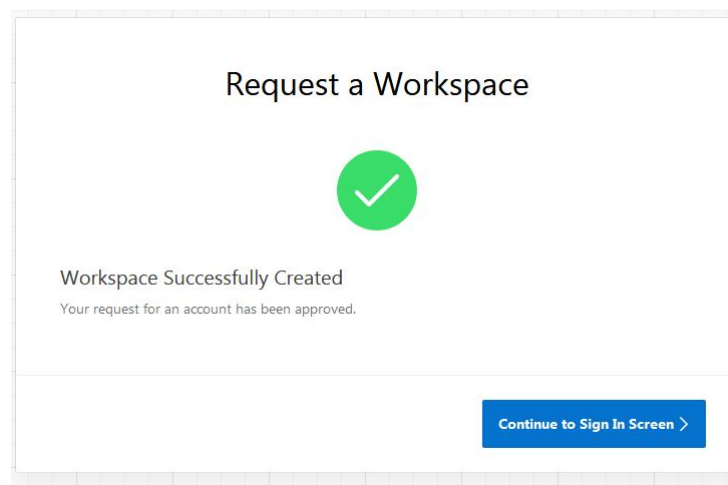

(b) request a workspace sudah dibuat dan submit

The screenshot shows the "Request a Workspace" page after the survey. The progress bar at the top now has four green checkmarks, and the fifth step, labeled "Confirmation", is marked with a blue circle. The form displays the details of the requested workspace: "Workspace Name" is "tente", "First Name" is "nabilla", "Last Name" is "nay", and "Administrator Email" is "nabillaahy@gmail.com". At the bottom, there are three buttons: a back arrow, a "Cancel" button, and a blue "Submit Request" button.

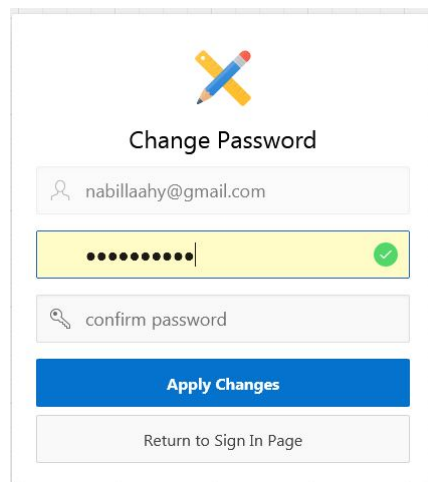

(c) Lalu klik create workspace

(d) Lalu klik continue to sign in screen

- (e) Memasukkan username, password dan konfirmasi password. Lalu klik apply changes.

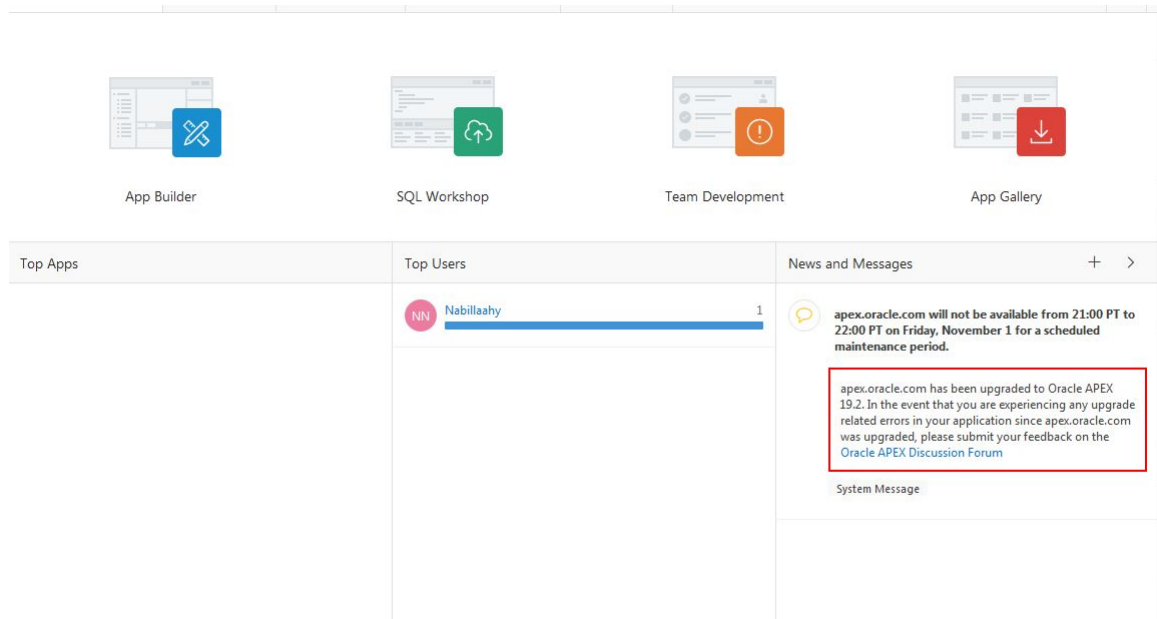

The image shows a 'Change Password' form. At the top is an icon of two crossed pencils. Below the icon is the title 'Change Password'. The form contains three input fields: a username field with the text 'nabillaahy@gmail.com', a password field with masked characters and a green checkmark, and a 'confirm password' field with a key icon. Below the input fields are two buttons: a blue 'Apply Changes' button and a grey 'Return to Sign In Page' button.

(f) Lalu klik App builder

The screenshot displays the Oracle APEX dashboard interface. At the top, there are four main application icons: App Builder (blue icon with a white 'X'), SQL Workshop (green icon with a white cloud), Team Development (orange icon with a white exclamation mark), and App Gallery (red icon with a white download arrow). Below these icons, the dashboard is divided into three main sections: Top Apps, Top Users, and News and Messages. The Top Users section shows a user named Nabillaahy with a score of 1. The News and Messages section contains a system message about the apex.oracle.com upgrade to Oracle APEX 19.2, which is highlighted with a red border.

Top Apps	Top Users	News and Messages
	<p> Nabillaahy 1</p>	<p> apex.oracle.com will not be available from 21:00 PT to 22:00 PT on Friday, November 1 for a scheduled maintenance period.</p> <p>apex.oracle.com has been upgraded to Oracle APEX 19.2. In the event that you are experiencing any upgrade related errors in your application since apex.oracle.com was upgraded, please submit your feedback on the Oracle APEX Discussion Forum</p> <p>System Message</p>

(g) Lalu klik create
